Re: Pagel Facility – Institutional Controls Investigation/Study – Civil Action 92-C-20346

Dear Bernie:

Winnebago Reclamation Service (WRS) is in receipt of the U.S. EPA's request for assistance in evaluating Institutional Controls (ICs) at the Pagel Superfund Site. The request for an IC investigation/study was received in our office on June 15, 2007. Winnebago Reclamation Service, Inc. intends to cooperate with the U.S. EPA by making our best effort to complete the requested IC investigation/study within 45 days of receipt of the request. As such, Winnebago Reclamation Service, Inc. intends to submit a draft IC investigation/study report to U.S. EPA for review and approval no later than July 30, 2007. If you have any questions regarding this notice of intent to comply, please contact Thomas Hilbert, at (815) 963-7516 or John Holmstrom, at (815) 963-7438.

Sincerely,

Thomas Hilbert
Winnebago Reclamation Service
